Dear Mayor Longo and City of Waveland Employees,

I just want to take this opportunity to wish all of you a MERRY CHRISTMAS and HAPPY NEW YEAR —

We have all suffered devastating losses, but I am proud of the way all of you are bouncing back to make Waveland an even better place to live in than before.

I know that if we all continue to work together, we WILL succeed in our efforts. Many of you may face critisisms for your valiant efforts from those who do not truly understand. Try to understand the pressures and short falls many of us are facing. Time will tend to heal and it would be best if all of us looked forward to a bright tommorow — rather than harbor memories of this past "storminess" in our lives.

Thanks again for all your efforts

Respectfully yours,

Russell [redacted]
